

The Institute of Water Sports

Head of The Murray Regatta

The Institute of Water Sports (The Institute) is an educational organisation that provides opportunities for South Australian students to engage with water sports such as rowing, canoeing, kayaking, dragon boating and sailing. The Institute is focused on engagement in water sports and providing inclusiveness programs to integrate students into sporting communities throughout the state.

The Institute is hosting the Head of the Murray Regatta on Saturday 8th of October 2016 at Murray Bridge. This is a distance race from White Sands to The Institute (8.9km) and is a key lead-up event to the Head of the Yarra. The regatta is to be delivered to a national market and offers crews the ability to train and engage with the Institute's Murray Bridge facility prior to the event. It is open to senior school rowers and adult rowers from clubs across Australia. Please see below for the racing categories:

Categories

1. Open Boys & Girls 8+
2. Composite Boys & Girls School 8+
3. Open Club 8+ Men & Women
4. Masters Men & Women's 8+ (all categories)
5. Composite Masters 8+

The Institute will be providing each rower with a polo shirt, which will feature our sponsorship's logos. We are also offering cash prizes and perpetual trophies to the category winners, which will also feature our sponsorships.

The Institute's Murray Bridge facility will be fully licensed for alcohol. A variety of food trucks and evening entertainment (live music) will be provided. On-site accommodation will also be available, which includes air-conditioned tents (for students), units and luxury houseboats, which are moored in the marina.
