COMPETITOR INSTRUCTIONS Sydney International Regatta Centre

ELIGIBILITY: Each competitor must be eligible to compete with respect to the Status Rules governing competition. Substitutes in crews, including coxswains, must be advised in writing to the Referee on a Substitution Form (Schedule 15) prior to competing in accordance with the Rules. No change in personnel of a crew is permitted between the heat and the final of an event. Substitution Forms are to be handed in at Boatshed 1.

Withdrawals Crews or scullers not intending to race must lodge a withdrawal form (Schedule 14) with the referee not later than 30 minutes prior to the first race of their event. Failure to do so will attract a fine. Withdrawal forms are to be handed in at Boatshed 1.

START: At the Start, lane # 1 is on the left hand side looking from the start to the finish. The start signal and recall signal will be by horn blast. The Starter will advise the procedure for starting. Crews will be dispatched by the starter saying "attention" followed simultaneously by the horn and green disc indicator. The Umpire's signal to stop rowing will be the waving of a red flag. All crews must be in the starter's control (and must have reported) 5 minutes before their event. Where heats/divisions are drawn, this is five minutes before the first heat/division. To achieve this, crews should be boating from the outgoing pontoon near the finish line approximately 30 minutes before their race. Latecomers will not be allowed on to the course.

FINISH: The first crew to cross the finish line will receive a horn blast, other crews crossing the line will also be acknowledged by the finish horn.

FINALS for events will be conducted in the order laid down on Rowing NSW's regatta program card, unless otherwise announced by the regatta commentator.

SAFETY AND EQUIPMENT: Bow balls of an approved type must be securely fitted to the bow of each competing boat; no boat will be permitted to start in breach of Law 8. Boats are liable to check weighing in accordance with the Rules. No boat shall carry radio or telephone equipment capable of sending or receiving messages.

WEIGH-IN: Lightweight competitors shall be weighed in rowing suits by a duly appointed Boat Race Official not more than two hours and not less than one hour before the advertised starting time of their first race on each day of racing. In the event of lightweight competitors not making weight before their first race on any day of racing, such competitors may be weigh-in not more than two hours nor less than one hour before one of their subsequent races on that day. The Weigh-in will be conducted in the Finish Tower.

COXSWAINS: Coxswains must be weighed in before their first race by a duly appointed Boat Race Official. The weigh-in will be conducted in the Finish Tower. Coxswains must carry sufficient lead or other metallic weight (no water bottles, bricks or sand bags) to exceed the minimum weight when wearing a rowing suit. (Refer to Law 9 of the Laws of Boat Racing for the specific weight requirements for male, female and age categories).

DO NOT ROW TO THE START ON THE COURSE: or obstruct racing in any way - penalty for breach of the traffic regulations is disqualification.

No crew is permitted to warm down, train or warm up on the course during the scheduled racing periods. No speedboats (other than those engaged by the regatta organizers for use by the Boat Race Officials) are permitted on the course or warm up lake.

LANE NUMBERS: For all Rowing NSW regattas, approved lane numbers must be used. They are available from the Finish Tower. Lane 1 is on the southern bank (furthest lane from the finish tower). **DRUG TESTING:** Competitors may be required to undergo testing to detect the presence of any performance enhancing substance in accordance with the Australian Sports Anti-Doping Agency Act (2006) and the Australian Sports Anti-Doping Authority Regulations (2006). Failure to submit to a drug test will result in immediate disqualification.

COURSE CLOSURE & TRAINING: The regatta course will be closed to all crews who are not proceeding to the start of their event, 30 minutes before the commencement of each racing session. Crews violating this directive will be awarded false starts or will be disqualified from the regatta. Traffic on the course during training will be:- Proceed from Start to Finish - Lanes 1 to 5, Lane 6 to remain vacant (do not enter this lane) - return Finish to Start - Lanes 7 to 9. Lanes 1 and 2 - fast, long racing pieces: Lane 3 - Pace, pressure pieces: Lanes 4 and 5 - Low intensity, row through (no racing); Lanes 7, 8 & 9 - Return to start.

COACHES INSTRUCTIONS: The cycle path at SIRC on the southern side of the course is reserved for coaches following races on bicycles. All cyclists are required to wear safety helmets. In the interests of spectator safety no bicycle riding is permitted 200 meters from the finish line on the Northern side of the course. Only official vehicles are permitted to drive to the start or use the media roadway. No coaching boats are permitted at SIRC. No coaches or spectators are permitted within 100 metres of the starting / aligning precinct when the 2000 & 1000 meter starts are in operation. **PRESENTATION OF TROPHIES & MEDALS:** Presentation of trophies will take place on the presentation dais following the declaration of the race by the Umpire & Judge. Successful competitors must proceed with caution to the pontoon between the shore and first line of buoys. Crews who do not present themselves for the medal ceremony will be able to collect their medals later, however an official presentation will not be available due to the large number of finals that are taking place.

MEDICAL FACILITIES: Emergency medical care will be provided by Ambulance Australia. Duty doctors will be in attendance at the Medical Centre above the Finish Tower (western end of the course). **FAIRNESS COMMITTEE:** Any decision to postpone or cancel the regatta due to inclement weather or unforeseen conditions will be made by the fairness committee in accordance with the Law of Boat Racing 18 (a) and (c)
